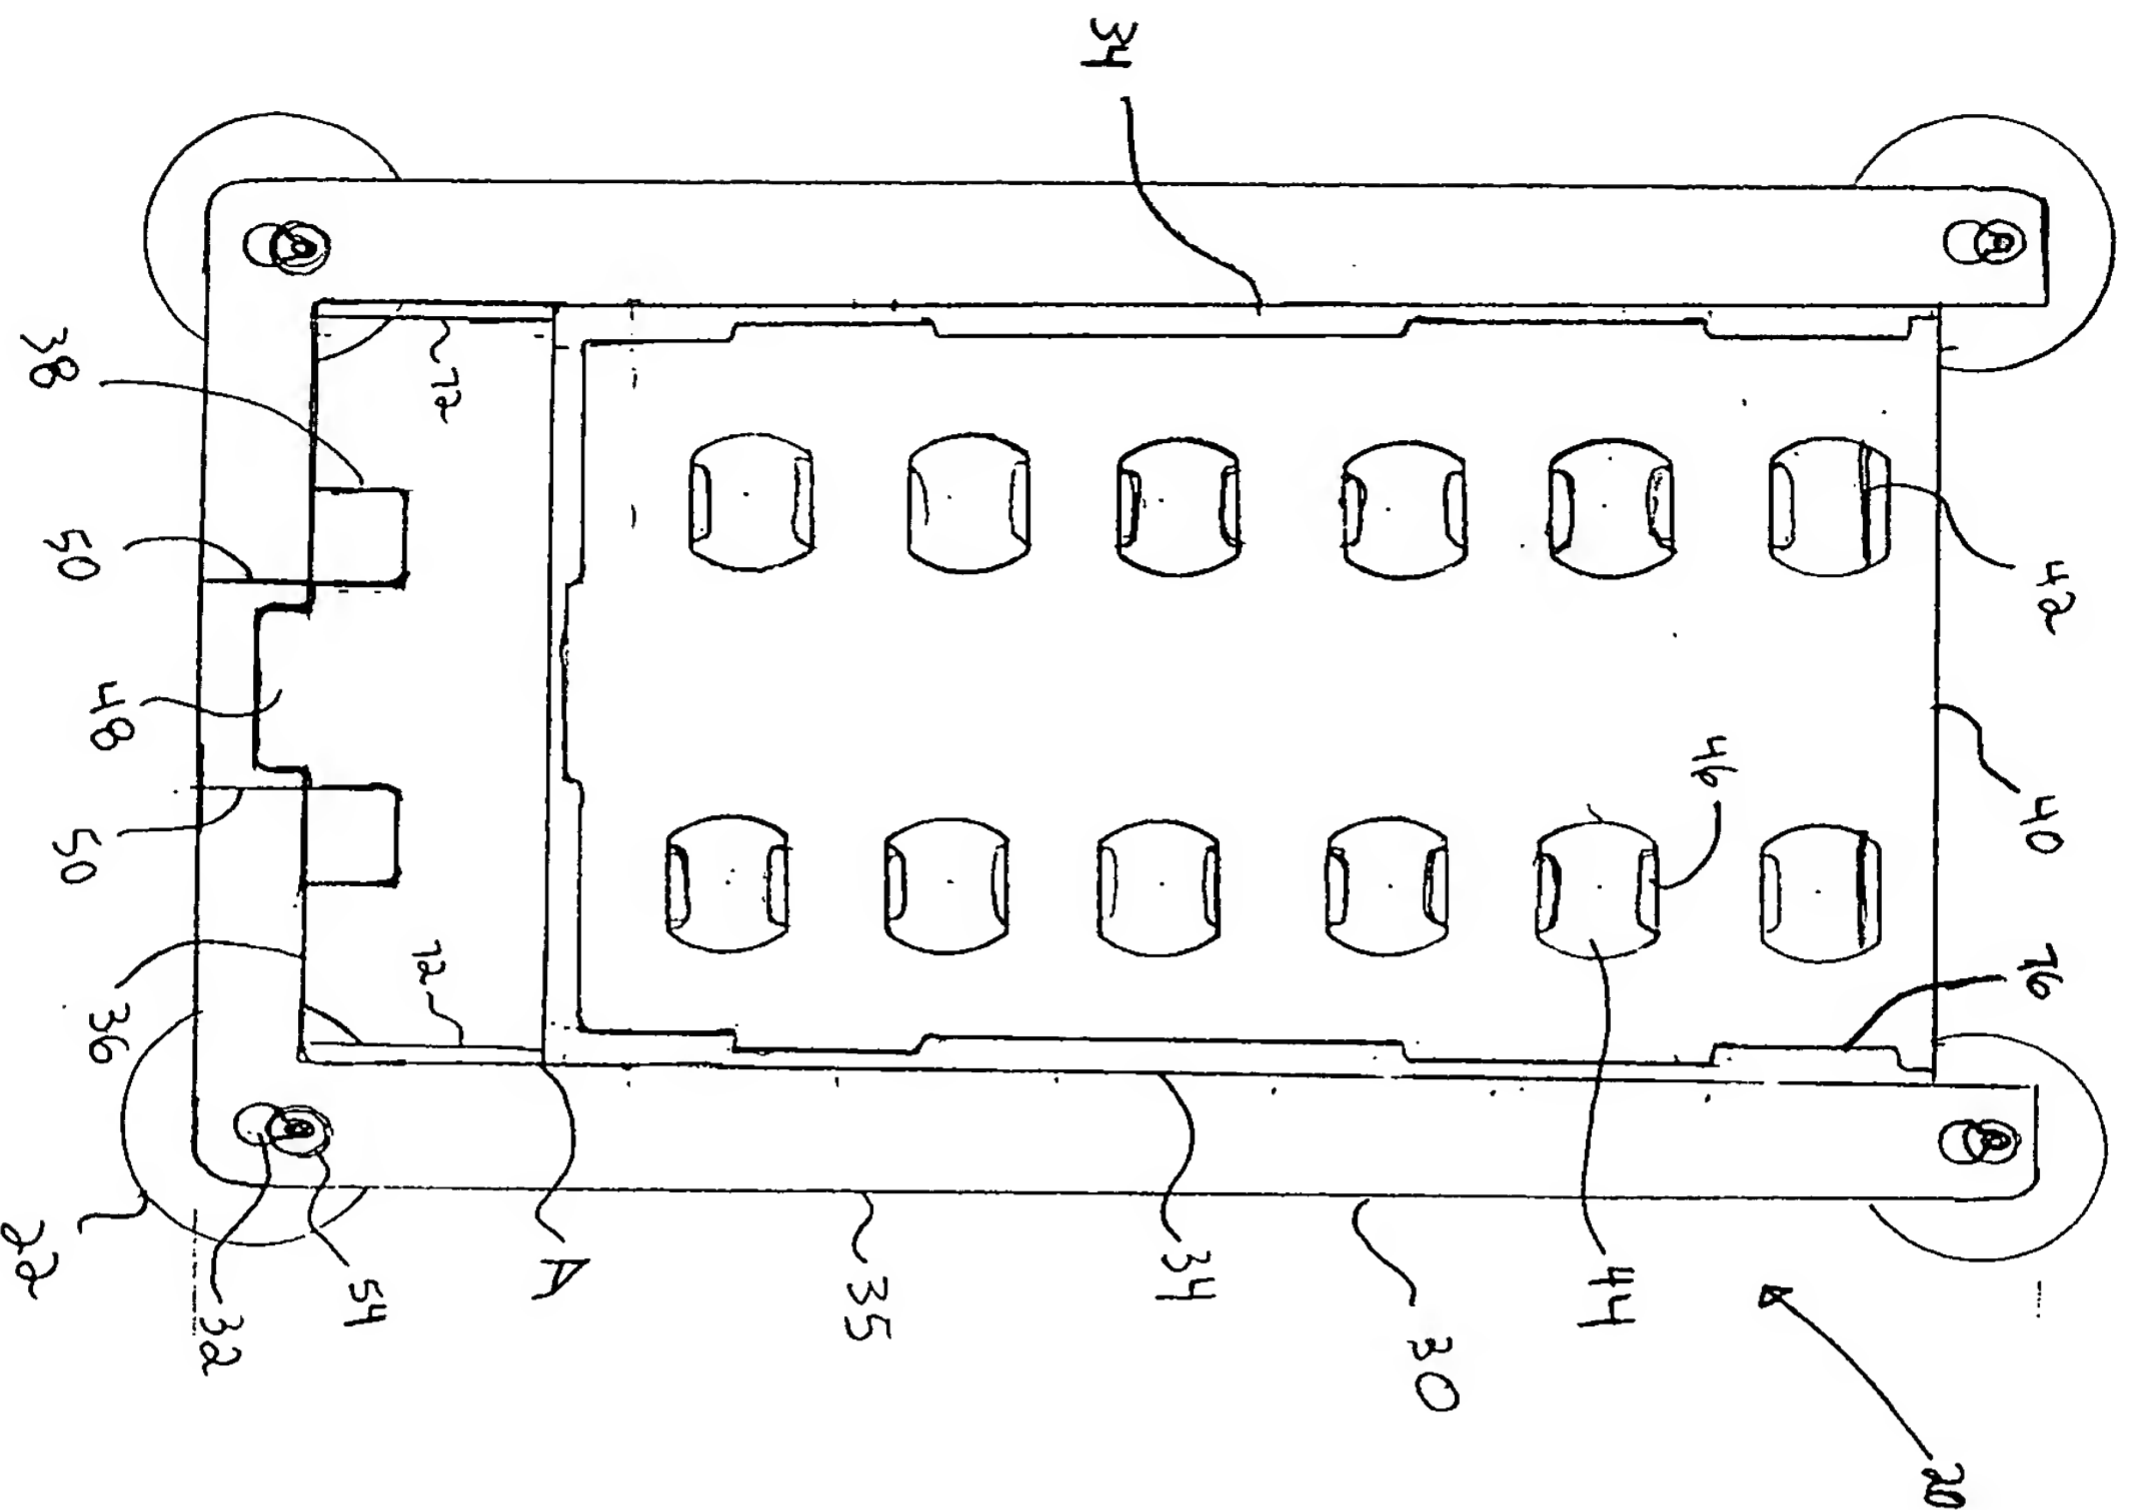

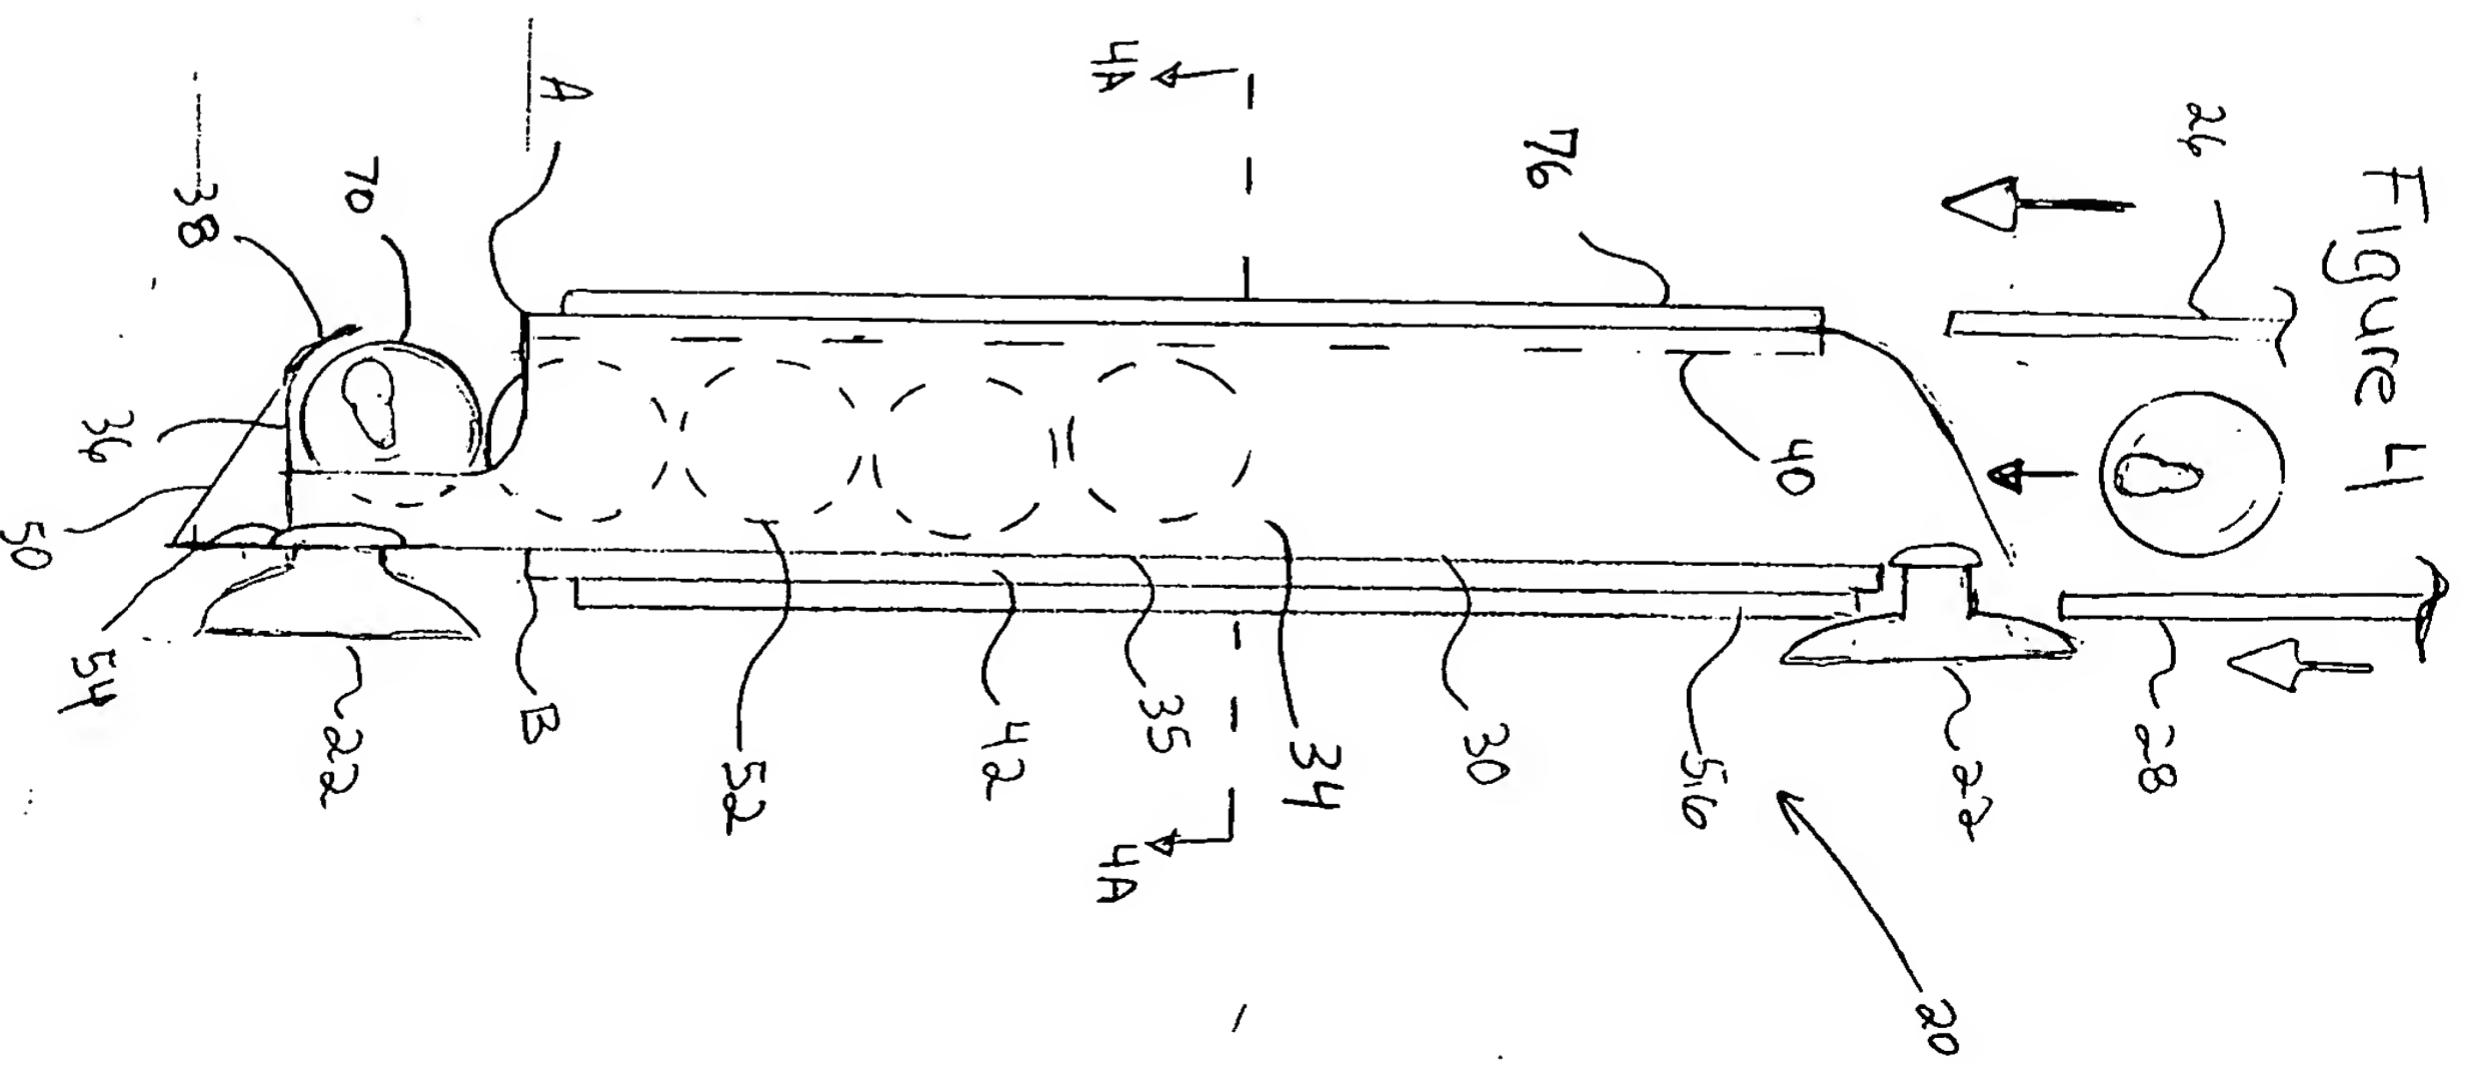

Figure 4

This diagram shows the top plan view of a rectangular container assembly 20. The assembly includes a main rectangular body 30 with a central cavity 34. The cavity is defined by a raised rim 35 and contains a grid of 12 cylindrical components 46, arranged in two rows of six. A dashed line 44 indicates a longitudinal centerline. The front edge 32 features a series of rectangular protrusions 38 and 48. The side edges 36 and 40 are also defined. Four corner fasteners 56 are shown, each secured with a screw 62. A dashed line 72 indicates a transverse centerline. A section line A-A is shown at the bottom, and a section line B-B is shown on the left side.
